SUMMARY

Hey, I am a 2nd Year Undergrad at KIET Group Of Institutions,Ghaziabad pursuing B-tech majoring in Computer Science Engineering. As a Computer Science Engineering student, I have developed a strong foundation in programming languages such as C++ and Python, i have also gained a solid foundation in algorithms, data structures and adept at problem-solving.
My goal is to create impact as a student, as a developer, as a teammate and to create and utilize more and more opportunities in my domain.
